

# Sentinel

Component based stainless steel system

## The Product

Stainless steel grade 304 or 316 which is suitable for either interior or exterior applications.

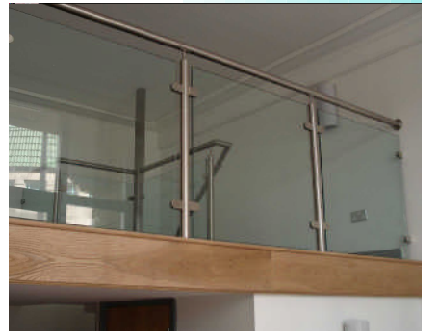

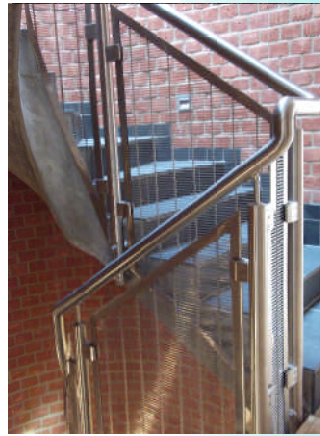

The surface finish can be either satin or bright polished.

Handrail is either 42mm or 48mm diameter, or, it can be "warm to the touch" (**Stargard** range), or hardwood (**Coppice** range) with stainless steel bends.

Various infills are available: Glass, perforated sheet, wire, midrails.

## Applications:

From main staircase to access ramps, Juliette balconies to full balconies.
