Balustrade with glass and perforated sheet

Balustrade with sandblasted logo and banding to the glass infill

Stronghold

STAINLESS STEEL BALUSTRADE AND HANDRAIL SYSTEM

Stronghold is stylish balustrade which is ideal for projects which require a quality product and low maintenance.

For balustrade which is even more distinctive, Stronghold can be supplied with brass fittings.

OTHER PRODUCTS FROM

Glassrail

Glassrail is a balustrade system without balusters! The handrail is connected to the stair or floor by the glass panels themselves.

Stargard

4mm thick pvc sleeving over galvanised steel tube for strength, durability and a minimum of maintenance

AL 50

A highly adaptable system with "hygienic handrail" if required.

Stradling

Oval handrail with twin stainless steel balusters for elegance and style.
